

# LY-850SD

## LY-850SD Automatic Double Sheets Positioning Machine

1. Double feeding position and independent control by different servo motor, More stable to run different thickness paper at the same time.
2. Independent control by different servo motor for feeding, avert double sheet and incline.
3. Within 4 sets of high precision cameras and robot arm. box positioning accuracy of  $\pm 0.1\text{mm}$ .
4. Able to run single and double feeding, easy and quick of setup.
5. Able to production box and case at the same time
6. Easy to setup positioning from double to single products in a minute.

### Technical Parameters

Model	LY-850SD
single sheet size	W : 80-800mm L : 120-900mm
double sheet size	W : 80-375mm L : 120-900mm
Paper thickness	100-350g/m <sup>2</sup>
Cardboard thickness ( C*D )	> 2mm
size for single case	W : 65-500mm L : 65-1000mm
size for double case	W : 65-375mm L : 65-375mm
size fo single box	W : 65-400mm L : 65-700mm H : 5-120mm
size for double box	W : 65-350mm L : 65-350mm H : 5-120mm
Precision	$\pm 0.1\text{mm}$
Max power	11KW
Speed for single product	15-40PCS/MIN
Speed for double product	30-40PCS/MIN
Air pressure	0.4-0.6mpa
Power Supply	380V/50Hz
Machine dimension	L7415×W2510×H2000m

# Q 优质的售后服务 Quality after-sales service

## 1小时服务回复 1 Hour service

接到电话,一小时内回复处理意见

We will reply to your service request call within one hour with solution suggestion

## 12小时处理 12 Hours service

12小时内解决方案

The GM's office will handle customer's complaints directly and reply within 12 hours with solution.

## 24个小时到位 Reach within 24 working hours

急技术问题,服务网点500公里内,维护人员24小时到位

The maintenance team will be in place within 24 working hours for customers located within 500km of the service point range

## 1次/月 1 Time/month

每月一次客服回访,专心、专业只为了让客户舒心、放心

By re-visiting the customers on a monthly basis,customers can rest assured and worriless

## 售前服务 Pre-sale Service

在机器发货前,可安排人员到我司学习培训,我司有专业的电气工程师、机械工程师进行授课,同时还会安排技术工程师现场培训,在机器上面更换不同尺寸的新产品,培训的同时也对整台机器再次进行售前质检。

Before delivery, customer can arrange personnel to train in our company. We have teachers of professional electronic engineer and mechanical engineer and we will arrange technical engineers live training of changing mold of different products in the machine at the same time. Inspect the machine comprehensively when training.

## 售中服务 Sale Services

当客户收到设备后,我们会安排技术工程师进行安装调试,并免费提供培训服务,且再次进行大货生产的培训服务。

When the machine reached your company, we will arrange technical engineers to install and debug, and provide a week of training service for free of charge,then carry out the training services for the production in bia batch.

## 售后服务 After-sales Service

建立完善的客户档案,随时记录用户的使用状况,并定期回访查询设备使用状况和性能,以及提供产品的软硬件更新,功能改进等专业服务;资深强大的售后服务队伍、完备的备用件仓库,迅速、及时解决用户要求。

We will establish completed customer files,record the customer usage at any time, and re-visit to find out usage status and performance of equipment regularly.And also provide professional services of software and hardware updates, functional improvements.We have senior and strong after-sald service team and complete spare parts warehouse to satisfy customers quickly and timely.
